## CHRISTMAS AMIDST COVID

Hi everybody,

We are looking forward to worshipping with you over the Christmas weekend. We hope you can either make Christmas Eve (5 PM) or Christmas Day (11 AM). If not, we hope to see you on Sunday, Dec. 26th!

I am sure you are all aware of the dramatic upsurge in COVID cases. The City of Haverhill has not changed any protocols but Governor Baker is recommending masks for indoor public settings. We are encouraging everybody to consider this recommendation and at least be ready to accommodate those will follow it. We expect a higher number of our guests and members will be masked over this weekend. We will continue to provide space for social distancing, free masks and hand washing stations, too.

Thanks for you heart to patiently endure this season of trial. May God make us more like Christ as a result!

And, may God richly bless our worship as we celebrate the wonder of God incarnate, the Light of the World!

In Christ's love,

Pastor Paul
